BE PART OF A STRONG IDEA. THE VOLUNTARY INITIATIVE FOR REFUGEES.

LEARN. WORK. HELP.

Help, where your support is most needed. At centres for elderly and young people, in hospitals, at a playschool or in one of many other social and cultural institutions throughout Hesse. Contribute your abilities and talents and discover new things. Your commitment is rewarded with an allowance (pocket money), language courses, educational offers and many contact opportunities.

Find out more about volunteer services at www.socialhero-fsj.de and also become a **#socialhero**
